

FREE Trec Judges Training & Refresher covering PTV, MA & POR

18th May 2019 10:30 – 16:00

Westfield Farm, Hawthorn Road, Cherry Willingham, Lincoln, LN3 4JU

Bring a pack up and a mug!

You must have a 5th edition rule book, available from [TREC GB](#) in printed or digital format

You have to be a member of TREC GB (Supporter membership is free!)

to get a free digital version. Printed copies will be available to buy on the day for £6.50, please bring cash

This training will count towards TREC GB Judges accreditation and is aimed as a refresher for people with previous experience as well as for those who'd like to become judges.

Invaluable for trained Trec judges to refresh their skills and to anyone who'd like help with the competitions.

Part 1 will cover PTV and MA – Especially useful to riders: Come and learn how to judge obstacles, see exactly what the judge is looking for and therefore how to improve your score.

We will talk through the different 'groups' of obstacles and how the scoring system works. We'll also talk about the MA, covering judging as well as different variations in walk and canter.

Part 2 will cover the POR – We will talk through all aspects of judging the POR phase of a Trec competition:- Tack & Hat Checks, what happens in the Map Room & what the judges have to do, how to manage & judge at the different types of Check Points (including where a Health Check is involved, the start & the finish of Grid Reference & Bearings sections, & manned Ticket Points).

We are offering this training to all members including supporter members, to encourage everyone to learn more about and participate in the sport we love. We cannot hold competitions without you so we ask that you come back and practise your new skills by helping judge at a Trec Lincolnshire competition - it's usually possible to judge and ride the same day. If you would like to come but are not yet a member, join as a Supporter Membership as that is also free!
