#### SK Chairman's Report

Jane stood down as Chairman in December, thank you for starting the club with Caroline and for your hard work over the years. Jane continues to be an active helper behind the scenes, running the map club and helping at events. Kim stood down from the committee earlier this month. We also thank you for your hard work too and Kim will continue to help behind the scenes and at events. Rita stood down from the committee last year, we thank Rita for her work during her time on the committee. Rita continues to work closely with the club and will host training events.

We currently have 40 members, 31 ridden and 9 supporter members. This is 17 members down on last year.

Feedback – see summary attached

We request that all Trec Lincolnshire members join TREC GB, even if it is as a supporter member which is free. You can then vote when it comes to elections and help ensure Trec Lincolnshire has a voice within TREC GB <http://www.trecgb.com/Register.asp>

For our next membership year we will continue to enrol anybody who is not already a member of TREC GB as a supporter member. There will be an option on the membership form for you to say if you do not want us to do this for you.

We ran two summer competitions last year, a level 1, 2 and 2a one day and a full two day competition. Both were well attended. We had four dates in our Winter Series, ridden PTV Training, some with competitions. We had unmounted map reading and judges training.

We are holding two summer competitions this year and have a POR training day in the diary. There is also an unmounted map reading day, practice POR ride and there are more training days planned along with more judges training.

CF Treasurer's Report

The figures for 2018-19 financial year are still being finalised as we don't have all the invoices in yet but we anticipate to break even. The club is a not for profit organisation. We have now paid for the trailer for the equipment, bought some two way radios.
