Entries must be received by 19th December and will be limited – please enter early!

The training will be in small groups (typically 3/4 riders) for an hour.

We will endeavour to make each group comprise riders of a similar level of experience. We will cover a selection of Trec obstacles, both ridden and led. You'll be shown how to tackle each obstacle, learn how it is judged and you'll be able to practice. All the competition obstacles will be included and ideas on how to gain most points will be available.

Training will be especially useful for people who haven't done trec before and those whose horses are not at their best indoors! The competition and training are separate and there's no need to do both
