A message from Pam, our judge

Very well done to all of you who sent in your lovely videos. It was a pleasure to watch them all and there were some very close marks. Please don't be discouraged by any low marks, we've all been there at some point and it is not easy setting up obstacles on your own. Well done everyone!

If anyone would like to go through their round in detail with tips on how to improve your score we can offer that. Caroline, the club trainer and accredited trainer of judges, will go through the video with you over the phone, answer any questions you have on the scoring, explain what went wrong and how to put it right. The cost is £10. Please email caroline@treclincolnshire.co.uk to arrange this.

Video competitions are taking a break for a few months, we have two full summer competitions that we are now busy organising. We will run some more video competitions later in the year.

Thanks

Sarah
